# Chedworth - Sandstone

## Specifications

Rattan Colour: Sandstone

Cushion Colour: Herringbone Barley

Frame Material: Aluminium (excluding cocoon hanging frames which are steel)

Finish: Smooth

Rattan Specification: 5mm Smooth Half Moon Rattan with 5mm Round Trim

Style: Timeless design with a traditional woven frame and deep-filled cushions

## General Information

Bramblecrest advise the use of a protective furniture cover when the product is not in use

Cushions can be covered in the summer months provided they are kept well ventilated and a weekly visual check against mould, damp and animal damage is carried out

During prolonged periods of non-use, and in the winter months it is advised that all cushions are stored indoors in a warm, dry environment

Single Cocoon weight limit 100kg (guide only)  
Double Cocoon weight limit 175kg (guide only)  
Triple Cocoon weight limit 200kg (guide only)

## Features & Benefits

- + 5 year structural guarantee\*
- + Can be left outside all season with minimal maintenance (excluding cushions)
- + Includes Season-Proof cushions backed with a waterproof liner to restrict water ingress
- + Easy to move, lightweight aluminium frames
- + Tables operated with a 'lift and shift' feature
- + Made using recyclable materials
- + Powder coated aluminium frames will not rust
- + Tabletops feature a durable toughened glass or ceramic top
- + Tabletops are recessed for added protection
- + UV stabiliser prevents rattan from fading

## Care & Maintenance

Clean rattan using a non-abrasive sponge and lukewarm detergent-free soapy water

Hand wash cushion covers at 30 degrees

Clean ceramic and glass table-tops using a proprietary multi-surface cleaner

Cocoon frames are made from steel for strength

Cocoon steel frames can sometimes rust. In the event of rust, clean with warm water and scouring pad. Dry and apply Bramblecrest touch-up paint

# Fairford

\*subject to T&C's available at [www.bramblecrest.com](http://www.bramblecrest.com)

# Monte Carlo

## Care & Maintenance

Clean rattan using a non-abrasive sponge and lukewarm detergent-free soapy water

Clean ceramic or glass table-tops using a proprietary multi-surface cleaner

To avoid permanent stains spillages should be wiped up as soon as possible

Protect the surface of the faux leather using Bramblecrest faux leather protector available at [www.bramblecrest.com](http://www.bramblecrest.com)

Do not attempt to clean with alcohol-based cleaning agents

Do not sit on the furniture when wet as clothing dye (e.g. blue jeans) can transfer onto the faux leather

## Specifications

Rattan Colour: Prairie

Cushion Colour: Pearl

Finish: Smooth

Rattan Specification: 5mm Smooth Half Moon Rattan with 5mm Round Trim

Frame Material: Aluminium

Style: Faux-leather combined with curved lines and flared armrest provides a luxurious, nautical aesthetic

## General Information

Bramblecrest advise the use of a protective furniture cover when the product is not in use. Please ensure the fabric is kept well ventilated and a weekly visual check is carried out

## Features & Benefits

- + 5 year structural guarantee\*
- + Can be left outside all season with minimal maintenance
- + Water, frost and mould resistant faux-leather fabric
- + Easy to move, lightweight aluminium frames
- + No cushion storage required
- + Tables operated with a 'lift and shift' feature
- + Made using recyclable materials
- + Powder coated aluminium frames will not rust
- + Tabletops feature a durable toughened glass or ceramic top
- + Tabletops are recessed for added protection
- + UV stabiliser prevents rattan from fading

## Fabric Cleaning

Day to day cleaning  
Wipe down with warm detergent-free soapy water and a soft sponge. Dry before use with a soft towel or cloth

Light to moderate soiling  
Bramblecrest faux leather cleaner can be purchased at [www.bramblecrest.com](http://www.bramblecrest.com) (follow the instructions on the bottle)

### Stubborn Stains

1. Moisten stained area with a damp cloth
2. Apply bleach concentrate to stained area for a maximum of 5- 8 minutes

3. In circular motions gently scrub the area using a non-scratch/non-coloured scouring pad
4. Rinse with fresh water and dry with a towel or cloth
5. If the stains have not cleared, repeat steps and increase the application time to a maximum of 10 minutes until the stains are removed

\*subject to T&C's available at [www.bramblecrest.com](http://www.bramblecrest.com)

# Bramblecrest Additional Items

# Scatter Cushions

## Specifications

**Cushion Cover:** Polyethylene & Polyester

**Cushion Filling:** Fibre

**Colours:** Variety. See [www.bramblecrest.com](http://www.bramblecrest.com) for full range

**Certifications:** Global Recycled Standard (GRS) accredited <http://gcl-intl.com/certification/globalrecycle-standard-grs/>

## General Information

Do not machine wash season-proof cushions or cushion covers as this may cause damage to the water-resistant lining

Although not water-proof, Bramblecrest 'season-proof' cushions can be left outside in showers. Should the internal filling become wet please remove the cushion cover and allow to dry for at least 48 hours prior to use

In order to prevent mould, mildew or animal damage, cushions should not be stored under a cover, in a cushion storage box or cushion storage sofa throughout the year unless the cushions are kept well ventilated and a weekly visual check is carried out

## Features & Benefits

- + 1 year guarantee\*
- + Cushion cover fibre filling made using recycled plastic bottles
- + Water, stain and frost-resistant
- + Backed with a waterproof liner to restrict water ingress
- + Colour-fast properties minimise fading
- + Majority of covers can be removed for washing
- + Soft-touch yarn for enhanced comfort
- + Vented areas allow air circulation

## Care & Maintenance

Hand wash at 30 degrees

Remove spillages immediately using an absorbent sponge or cloth

For stubborn stains Hand wash at 30 degrees using a household stain remover

Darker colours (e.g. grey) are more likely to fade in direct sunlight so are best stored away when not in use

Store indoors in a Bramblecrest cushion storage bag During prolonged periods of non-use, or extreme weather

In the event of water pooling, we advise that the water is pushed off. This is commonplace between the edge of a dining table and the back of a dining chair

\*subject to T&C's available at [www.bramblecrest.com](http://www.bramblecrest.com)
